

Community Mondays

MINGEI INTERNATIONAL MUSEUM strives to authentically serve as a museum for all, showcasing folk art, craft, and design from across the globe to reach the broadest audience possible. Our mission is to celebrate the inherent creativity within each individual, fostering greater cross-cultural empathy and understanding.

Community Mondays is focused on sharing Mingei's La Atalaya Theater, free of charge, with under-resourced arts and culture organizations, nonprofit community groups, and individual artists. It is key to the Museum's commitment to increase access and become a place that truly welcomes San Diego's diverse population.

Community Mondays Objectives

- Explore creative utilization of the Museum's theater by fostering partnerships with community and arts organizations.
- Tackle the shortage of accessible and budget-friendly meeting venues for the City's dynamic community organizations.
- Enhance accessibility for BIPOC communities.
- Cultivate fresh collaborations and foster connections with community groups, encouraging their deeper engagement with the Museum as attendees, advisors, or potential board members.
